

County of Sacramento

ENVIRONMENTAL COMPLIANCE DIVISION
WATER TESTING LABORATORIES

The following list of laboratories has been compiled for your convenience, but is not an endorsement of their services. You may also refer to the yellow pages for a listing of laboratories, or use the following link to access the California Department of Public Health website for laboratory listings. <http://www.dhs.ca.gov/ps/ls/elap/html/LablistStart.htm> Questions regarding cost and sample collection should be directed to the individual laboratory. The County assumes no responsibility or liability for the services provided by the labs on this list.
