## Food Facility Consultation Service

**A Free Service Provided by  
Sacramento Environmental  
Health Food  
Protection Program**

**Environmental  
Management Department**

## Let EMD Help You Succeed

- EMD is providing the opportunity to educate and address your facility's needs without the routine inspection anxiety
- All retail food facilities are welcome and encourage to request for a consultation
- An inspection report with violations will not be generated or posted online for public viewing
- Consultation is aimed at assisting your facility and employees to provide a safer product to all consumers

## Consultation Service

### Includes:

- Conduct a full facility evaluation that is similar to a routine inspection
- On-site Food Safety and Sanitation training for employees
- Provide guidance on how to stay in compliance
  - Facility performance evaluation with a focus on major and repeated violations
- Menu evaluations for potentially hazardous foods
- Answer questions and provide advice regarding food safety issues

## Benefits of a consultation service:

- Assistance in complying with food safety regulations
  - Discuss routine health inspection
  - Enforcement proceeding
- **This service is free!**  
\*The first consultation is free per facility. The service is provided at an hourly fee for each additional consultation thereafter.
- Facility will receive a Bonus Food and Safety Tool package
- Increase the opportunity to earn an Award of Excellence
