

COUNTY OF SACRAMENTO

Environmental Specialist IV

County of Sacramento,
Environmental Management
Department

Full Time Position
\$6,185 - \$6820
Per Month + Benefits

CONTINUOUS FILING

Environmental Specialist IV positions work predominately in the Hazardous Materials (HM), Environmental Health (EH), and Water Protection (WP) Divisions of the Sacramento County Environmental Management Department. Positions in the Environmental Health Division require an REHS. Incumbents report to an Environmental Program Manager and are the first-

line supervisor of a team of professional and technical scientific staff. Duties include directing, prioritizing, reviewing and evaluating the unit's processes and final products. Strong oral presentation and writing skills are necessary for the incumbent's success.

PLEASE NOTE: Eligible lists are periodically updated; applicants are encouraged to apply early to be eligible for all possible positions. See web site listed below for exact application deadline dates.

- **Vacation** - 10 days annually with an increase over a period of years.
- **Sick Leave** -15 days annually, unlimited accumulation
- **Bereavement Leave**
up to 40 hours per incident for defined family members.
- **Holidays** -12.5 paid holidays per year.

Sacramento County

Sacramento is located in the north central part of the state, a short distance from the San Francisco Bay area, the Napa Valley, and the Sierra Nevada Mountains. Sacramento also enjoys the recreational waters of the American and Sacramento Rivers. It is a growing community with affordable housing and a booming economy. Sacramento has a dynamic business sector, a modern expanding public transportation system, as well as cultural, educational, and medical facilities. Sacramento is home to the NBA's Kings, the WNBA's Monarchs, the minor league baseball team the River Cats, the California State Fair, and the world's largest Dixieland Jazz Jubilee!

Minimum Qualifications:

- Graduation from an accredited college or university with major work in health science, public health, natural science, physical science, environmental science, or a related field.
AND
- Two years of advanced journey level experience in environmental regulation, analysis, or environmental research performing journey level duties and responsibilities equivalent to the Env. Spec. III class in Sacramento County service.
OR
- Four years professional experience in environmental inspections, enforcement regulation, analysis, and/or research performing journey level duties and responsibilities equivalent to the Env. Spec. (Level II) class in Sacramento County Service.

NOTE: Possession of a Master's Degree from an accredited college or university in health science, public health, natural science, physical science, environmental science, business or public administration, or a related field may substitute for one year of the required experience.
