Checklist for food establishment	The following is a checklist of information needed at plan check submittal. Prov page number(s) where information has been provided.	ide the

INFORMATION	PAG	E#
One (1) set of plans at initial submittal.		
NOTE: Three (3) identical sets will be needed at time of final		
approval.		
Site Plan with refuse storage area showing on plan; outdoor refuse		
storage area or enclosure with non-absorbent material: easily cleanable, durable and sloped to sanitary sewer drain.		
Title Sheet:		
☐ Name of establishment		
Address of establishment		
Owner or contractors address		
Contact phone number		
Floor Plan showing all equipment (minimum 1/4" = 1 ft.)		
All equipment shall be labeled to correspond with equipment		
schedule.		
Make, Manufacture and Model Number or Specification Sheets		
for all food equipment.		
NOTE: Provide specification sheets numbered to match plans. All		
food equipment must be certified or classified for sanitation by ANSI		
certified program.		
Building Structure:	Yes	No
 Will the building be demolished for the remodel? 		
 Are all exterior doors self-closing? 		
 Are all restroom doors self-closing? 		
 Are any exterior walls or windows openable? 		
Are there any roll-up doors or windows?
